Bankruptcy Laws

WHEREAS Unifor members across Ontario occupied Northstar Aerospace to demand a reversal of the companies dramatic 24% cut to their pensions plan; and

WHEREAS The ongoing saga with Sears Canada where executives are being paid millions, while the workers are being severely disadvantaged in pension obligations; and

WHEREAS There has been considerable backlash from the community to these capitalistic polices and agendas that leave workers and pensioners far behind;

THEREFORE BE IT RESOLVED We call on the Ontario Council to mobilize and organize with the local unions and labour affiliates of the CLC, a campaign for guaranteed pension protections that put workers and pensioners first in bankruptcy laws.
